Dear Michael:

On behalf of the Board of Directors, staff and children of the Joseph H. Firth Youth Center, I would like to thank you for your donation of services and equipment to excavate around the footings of the center's gymnasium foundation on Wednesday, May 25. Having the owner personally taking on this task is an honor for us. I was amazed at your skill and accuracy in operating the equipment. And, I was relieved to find out that the footings are solid. I can't begin to tell you how much your support has helped us to deal with the challenge we face on this project.

It was my pleasure to meet and talk with you. It always amazes me to find, yet again, just how many people have been touched by the Firth Youth Center during the past 58 years. Hearing about your family's use of the facilities and programs reinforces just how valuable the center is.

Again, thank you! If I may be of service to you in the future, please do not hesitate to contact me.

Sincerely,

Dawn L. Slifer
Executive Director
